

PENN STATE ALTOONA: TIPS FOR TRANSIT

Have your Penn State ID

Use **myStop** via text: Text **AT** and your Bus Stop # to **321123** to find out when your bus will arrive at your stop in real time.

Download the **myStop app**: myStop lets you plan your trip through Google Maps, tells you when your bus will be at your stop in real time, and lets you set an alert so you know when your bus will arrive!

Look at the bus sign to find out where it's headed. There is a sign on the front and side of each bus. When you are boarding at the downtown Transit Center and heading back to campus, make sure the bus says **Ivyside** or **25th Avenue** (not Wal Mart or Logan Town Centre).

Ask a driver! If you aren't sure you're getting on the right bus, just ask! Our drivers are ready and willing to help you get where you need to go.

Plan for time walking from the bus to class!

The #1 Crosstown, #3 Flash, and #5 Pleasant Valley all go to the downtown Transit Center, so depending on where your class is, you may have a few minutes of walking!

#1 Crosstown does stop at the Devorris center right after it leaves the Transit Center.
